

P.O. BOX 80 • BOYNE CITY, MICHIGAN 49712-0081

**E.L. SIMETH** CO., INC.  
SINCE 1945

# 3 SPECIALIZED GROUPS... **3 ONE** SPECIFIC GOAL

Industrial Magnetics, Inc. is an industry leader in providing both permanent magnets and electromagnets for workholding, lifting, fixturing, conveying and magnetic separation. We also provide state-of-the-art metal detection systems for industries such as food stuffs, packaged goods, aggregates and mining.

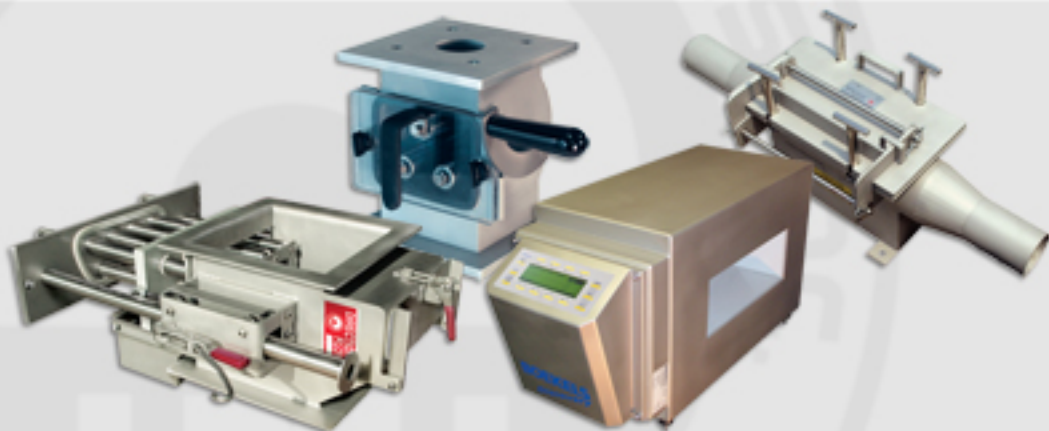

## **AUTOMATION** GROUP

Industrial Magnets for Automated  
Stacking, Destacking, Conveying, Lifting,  
Transferring, Tooling & Finning  
**888.582.0823**

## **TRAMP METAL** GROUP

Magnetic Separation and Metal  
Detection to Separate, Detect,  
Purify & Protect  
**888.582.0822**

## **MAG-MATE** GROUP

Magnetic Assemblies for Workholding,  
Lifting Magnets, Fixturing, Transferring,  
Sweeping, Welding, Tools, Raw  
Materials & More  
**888.582.0821**

**SOLD BY**
